DAWN

by Paul Dungar

An angel, robed in spotless white,

Bent down and kissed the sleeping Night.

Night woke to blush; the sprite was gone.

Men saw the blush and called it Dawn.

Westminster High School was built by people who wanted and needed a high school in the community to be proud of. The 1967 "Warrior" shows that their dream has been fulfilled. In activities, sports and all-aroundschool life, our high school has attained leadership. Westy is truly the light in the community they were searching for.

Westy Sparkles With Spirit

It is true that students make the school, but the students need a place to meet. The buildings of Westminster High suit that purpose perfectly. Rarely is the school empty, quiet or dark. It is a symbol of confidence. People look at Westminster High and are installed with a feeling of confidence. They see the buildings and are reassured that something is being done to train the readers of the fature.

The teachers at Westy are truly unselfish people. I hey sacrifice higher paying jobs, time and effort to help mold students into worth-while people. Often we find the faculty receiving little or no credit for all their devotion. It is fitting that the 1967 "Warrior" should now thank the faculty for being a guiding light at Westy.

THE KITCHEN MAIDS

The heart of any school is in the students. Only they can make the school respected in the community and envied by other schools. This is the guiding light and the aim the classes of Westy strive for. In academic and extracurricular fields someone from Westy is always trying.

It is easy to see that school without activities would be worse than dull. Activities brighten a school year with chances to build lasting memories. Perhaps a dance or play will stand out as one of the memories of Westy you treasure most. However, you will remember that there was always some activity taking place, planned for Westy students to enjoy.

Homecoming 1966 was all that any student could have desired. Long nights were put in all week by all the classes in an effort to assemble a prize-winning float. Homecoming officially began with the Powder Puff Football Game between the junior and senior girls. This was won by the juniors. Seniors won first place with their

float and the Warriors won their football game against the Mapleton Falcons with a stunning score of 19-0. Spirit and pride had never run higher than on that night. The final touch of a great Homecoming was the dance, "Moonlight Carousel,"

"Rebel Without a Cause" was Westy's Jr. - Sr. class play for 1966. December 12 and 13 found the practiced cast giving their two long awaited evening per-formances, "Rebel" itself was a serious criticism of juvenile problems. It went over well with Westy's audience of young adults.

Dramatic productions such as "Rebel" can be held up as a guiding light for other theatrical productions at Westy.

Westminster High has always had a well-rounded roster of clubs and organizations. I here are so many choices that any student should be able to find a club that interests him. Clubs are a chance to find to low ship with friends and sponsors, because they offer a chance for self-expression. Organizations are truly sparkling stars in the Westy galaxy.

ORGANIZATIONS

ALL SCHOOL SECRETARY: Terri Polson

ALL SCHOOL TREASURER: Sue Adams

Think of the student body as a Knight in shining armor. The head being the Administration and faculty, the arms representing the clubs at Westy, and the legs acting as the Student Council.

If the head is wise, it will give guidance, wisdom, and authority to the body. The active arms will add to the lively mood of the body, but does not move the body as a whole. However, if the legs are constantly moving, the whole body is on the go. Student Council is the legs of Westminster High, it keeps Westy "on the go,"

Pep Club Puts Sparkle Into Games

luniors shine at games.

Pep Club, under the leadership of Miss McCall, has been generated with new enthusiasm this year. Pep Club has put a spark in the overall spirit of the school and helped cheer the teams on to victory. The varied activities of Pep Club this yearhave included marching in the Homecoming Parade, sponsoring an athletic dinner, and working diligently on posters for our halfs to promote school spirit. New vests and tackets added a zesty touch to the older uniforms. Pep Club was truly a necessary part of our school spirit.

Seniors brighten our side.

Culture is the keynote of the activities of one of the most dynamic clubs in school. Members are constantly on the move, attending live plays, ballets, concerts, and art shows around town. They let no medium escape their attention as they read books of interest and quality, gather for parties, listen to records or watch a play on television. Lively discusions are a vital ingredient of these parties. Pres: Ed Castillo, Treas: D. Cioeta, Sponsor: Mrs. Henry.

NHS - ACHIEVEMENT FOR SENIORS

The competitive atmosphere of the NFL enables high school students to express themselves in all aspects of public speaking. Speech teams have brought recognition to Westminster in debate; discussion; extemporaneous speaking; dramatic and humorous interpretation; poetry; and original and interpretation of oratory. Westy's speech squad has participated in meets in Colorado and traveled to Wyoming to attend the Rocky Mountain Student Congress. Colorado University was the location for the State Meet on March 17 & 18. On March 30-April 1, an eight-man team attended the NFL meet at Colorado State College in Greeley

There is only one thing that can light a sportsman's eyes and that is victory. They literally live on it. That is why the sportsmen of Westy were so healthy in '06-'67. Yet, in their few losses, our sportsmen took the defeat gracefully.

This year will go down as one that the proud tradition of victory at Westy was brought into focus.

Track is one of the most varied sports that we have at Westy. It is individual many times, as in the case of the 100 yd. dashes and the shot put, and it is also a team sport, as in the case of the 880 yd. relay and the mile relay. This year's track team, under the coaching of Mr. Bone, promises to be the best yet.

This year at Westy saw a big boom in the Girl's Athletic Association. This club was revitalized by the new sponsor, Miss McCall.

G.A.A.'s purpose is to develop athletic and physical efficiency, sportsmanship and school spirit in the young women of Westy. This is accomplished when the girls participate in intramural activities and competition with other high schools.

Their main activities are in soccer, volleyball, basketball, tennis, archery, track and gymnastics. Westy is especially proud of the femme gymnasts who are bound to make a good showing in state competition.
